Chapter 1 Preliminary

1 Short title

This regulation may be cited as the *Body Corporate and Community Management (Small Schemes Module) Regulation 2020*.

2 Commencement

This regulation commences on 1 March 2021.

3 Application of this regulation—Act, s 21 [SM, s 3]

- (1) This regulation is a regulation module for the Act.
- (2) For this regulation to apply to a community titles scheme, all of the following must apply for the scheme—
 - (a) the scheme is a basic scheme;
 - (b) there is no letting agent for the scheme;
 - (c) there are no more than 6 lots included in the scheme.

Notes—

- 1 Under section 21 of the Act, this regulation will only be the regulation module for a community titles scheme if the community management statement for the scheme states that this regulation applies to the scheme.
- 2 If this regulation module applies to a community titles scheme but the scheme subsequently changes so that paragraph (a), (b) or (c) no longer applies, the standard module will apply to the scheme. See section 21(3) of the Act.

4 Dictionary [SM, s 4]

The dictionary in schedule 1 defines particular words used in this regulation.

5 References to committee, secretary or treasurer [SM, s 5]

- (1) In a provision of this regulation about a community titles scheme—
- (a) a reference to the committee is a reference to the committee for the body corporate for the scheme; and
 - (b) a reference to the secretary is a reference to the secretary of the body corporate for the scheme; and
 - (c) a reference to the treasurer is a reference to the treasurer of the body corporate for the scheme.

Note—

Under section 8 of the Act, in a provision about a community titles scheme, a reference to any of the following persons or things is a reference to the person or thing for the scheme—

- 1 scheme land
- 2 body corporate
- 3 common property
- 4 body corporate assets
- 5 community management statement
- 6 original owner
- 7 by-laws
- 8 body corporate manager, service contractor or letting agent.

- (2) If, for a community titles scheme, a body corporate manager is acting under a chapter 3, part 5 engagement, a reference in this regulation to the committee, secretary or treasurer of the body corporate for the scheme is, if the context permits, a reference to the body corporate manager.

Example—

Sections 17, 19, 36(1)(b), 41, 91, 92 and 93 are provisions where the context permits a reference to the committee to be a reference to a body corporate manager acting under a chapter 3, part 5 engagement.

[s 6]

6 References to standard module

- (1) The information included in square brackets after a section heading is a reference to a comparable section of the standard module.
- (2) The brackets and information do not form part of this regulation.

Chapter 2 Community management statements

7 Permitted inclusions—Act, s 66 [SM, s 6]

For section 66(2)(b) of the Act, a community management statement may include the following things—

- (a) provisions adopting and regulating the operation of an architectural and landscape code, including the establishment and operation of an architectural review committee;
- (b) rules (*meeting rules*) consistent with the Act and this regulation, and fair and reasonable in the circumstances of the scheme, for convening and conducting meetings of the body corporate for a community titles scheme.

Chapter 3 Committee for body corporate

Part 1 Preliminary

8 Requirement for committee—Act, s 98 [SM, s 7]

- (1) Subject to subsection (2), there must be a committee for the body corporate for a community titles scheme.
- (2) There is no committee for the body corporate if the body corporate engages, under part 5, a body corporate manager to carry out the functions of a committee and the secretary and treasurer.

9 Purposes of chapter [SM, s 8]

The purposes of this chapter are—

- (a) to provide for the following matters in relation to a committee for the body corporate for a community titles scheme—
 - (i) the composition of the committee;
 - (ii) the choosing of the secretary and treasurer;
 - (iii) the term of office of the secretary and treasurer;
 - (iv) the filling of casual vacancies on the committee;
 - (v) the meetings of the committee; and
- (b) to prescribe issues about which the committee may not make decisions; and
- (c) to enable the body corporate to engage a body corporate manager to carry out the functions of a committee, the secretary and the treasurer; and
- (d) to provide for matters that involve members of the committee that must be authorised by the body corporate.

[s 10]

Part 2 Committee membership

Division 1 Composition of committee—Act, section 99

10 Composition of committee [SM, s 9]

- (1) A committee consists only of the person or persons chosen to be the secretary and treasurer of the body corporate.
- (2) A person may hold the positions of secretary and treasurer in conjunction.
- (3) There must be a secretary and a treasurer, whether or not there is a body corporate manager who has been authorised by the body corporate under section 119 of the Act to exercise some or all of the powers of the secretary or treasurer.
- (4) A person who is a member of the committee is a voting member of the committee.

11 Eligibility to be secretary or treasurer [SM, ss 10 and 11]

- (1) A person is eligible to be the secretary or treasurer if the person is an individual and is also—
 - (a) a member of the body corporate; or
Note—
See also section 31 (Membership of body corporate for community titles scheme) of the Act.
 - (b) a person nominated to be the secretary or treasurer by a member of the body corporate.
- (2) However, a person who is otherwise eligible under subsection (1) to be the secretary or treasurer is ineligible to be the secretary or treasurer if the person is—
 - (a) a body corporate manager or service contractor; or
 - (b) an associate of a body corporate manager or service contractor; or

- (c) a person who is a member of the body corporate who owes a body corporate debt in relation to a lot owned by the person at the time voting members are chosen; or
 - (d) a person nominated by a member mentioned in paragraph (c).
- (3) A member of the body corporate may not nominate a person to be the secretary or treasurer if the member owes a body corporate debt when the nomination is received by the secretary.
- (4) For each lot that is co-owned, only 1 co-owner of a lot can be a member of the committee, on the basis of ownership of the lot, at a time.

Division 2 Choosing of committee—Act, section 99

Subdivision 1 Choosing of committee at annual general meeting

12 When secretary and treasurer are chosen [SM, s 13]

- (1) The secretary and treasurer must be chosen at each annual general meeting of the body corporate.
- (2) However, subsection (1) does not apply for an annual general meeting if, on the day the annual general meeting is held, there are—
 - (a) only 2 lots included in the community titles scheme, and the 2 lots are in identical ownership; or
 - (b) only 2 lots included in the scheme, and the 2 lots are in different ownership; or
 - (c) 3 or more lots included in the scheme, and all the lots are in identical ownership; or
 - (d) 3 or more lots included in the scheme, and there are only 2 different owners for all the lots.

[s 13]

- (3) If subsection (2)(a) or (c) applies, the committee is a committee of 1 consisting of the individual who is the owner, or the nominee of the owner, of the lots, and the individual holds the positions of both secretary and treasurer.
- (4) If subsection (2)(b) or (d) applies—
 - (a) the committee consists of 2 individuals who are the owners, or the nominees of the owners, of the lots, and they must decide between themselves which of the positions of secretary and treasurer each is to hold and, if they can not agree, each of the positions of secretary and treasurer are jointly held by both of them; or
 - (b) the committee consists of 1 of the 2 individuals mentioned in paragraph (a), chosen by agreement between the 2 individuals.
- (5) If there is a vacancy in the position of secretary or treasurer, the choosing of an individual to fill the vacant position may only happen at an extraordinary general meeting of the body corporate.
- (6) Subsections (3) and (4) do not apply to the scheme if, at an annual general meeting, the body corporate engages under part 5 a body corporate manager to carry out the functions of a committee, secretary and treasurer.

13 When committee may be chosen if previous committee was formed under s 12(3) [SM, s 14]

- (1) If, on the day the first annual general meeting of the body corporate is held, the committee is formed under section 12(3), a subsequent committee may be chosen at an extraordinary general meeting held before the next annual general meeting after the first annual general meeting.
- (2) This subdivision applies to an extraordinary general meeting as if it were the next annual general meeting after the first annual general meeting.

Subdivision 2 Election of secretary and treasurer

14 Election of secretary and treasurer [SM, s 15]

- (1) The secretary and treasurer must be chosen by election.
- (2) The election must be conducted—
 - (a) to the extent that meeting rules apply—in the way the meeting rules provide; and
 - (b) to the extent that meeting rules do not apply—in the way decided by the body corporate by special resolution.
- (3) However, despite subsection (1)—
 - (a) the value of any vote able to be cast for a lot included in the community titles scheme for choosing the secretary or treasurer is the same as the value of the vote able to be cast for each other lot included in the scheme; and
 - (b) nominations for secretary and treasurer may be made orally at the general meeting dealing with the choosing, or in writing given to the secretary before the meeting.
- (4) For subsection (3)(a), it is immaterial whether there are 2 or more co-owners of 1 or more of the lots.
- (5) A way decided by the body corporate under subsection (2)(b) must be fair and reasonable in the circumstances of the scheme.

Subdivision 3 Term of office of committee members

15 Term of office—Act, s 99 [SM, s 44]

- (1) The term of office of a person who is the secretary or treasurer continues until—
 - (a) another person is chosen for the position; or

[s 15]

- (b) the member's position becomes vacant under subsection (2); or
 - (c) the member's term of office ends under subsection (5).
- (2) The position of secretary or treasurer becomes vacant if the person who is the secretary or treasurer—
- (a) dies; or
 - (b) becomes ineligible to hold the position; or
 - (c) resigns by written notice given to—
 - (i) the other member of the committee; or
 - (ii) if the person holds the positions of secretary and treasurer—a member of the body corporate; or
 - (d) is convicted, whether or not a conviction is recorded, of an indictable offence; or
 - (e) is removed from office by ordinary resolution of the body corporate; or
 - (f) is removed from office under section 16.
- (3) For subsection (2)(b), without limiting the reasons a person may become ineligible to hold the position of secretary or treasurer, a person is ineligible to hold the position of secretary or treasurer if the person—
- (a) was a member of the body corporate at the time the person was elected but is no longer a member of the body corporate; or
 - (b) was not a member of the body corporate at the time the person was elected and was nominated for membership by a member of the body corporate who is no longer a member of the body corporate; or

 - (e) that the body corporate is to consider a motion to remove the member from office for the breach at the next general meeting of the body corporate called after the period mentioned in paragraph (c) ends.
- (3) If asked by the member, the body corporate must pay the member all postage charges and photocopy expenses reasonably incurred by the member in giving a written response under subsection (2)(c) to any other member of the body corporate.

[s 17]

Committee meetings are called and held in the way, and at the times and places, decided by the committee.

19 **Submission for consideration of motions at committee meetings [SM, s 58]**

 - (b) if the committee considers it requires more time to decide the motion, at any time before the end of the decision period, give the member a written notice stating—
 - (i) that the committee requires more time to decide the motion; and
 - (ii) the reason the committee requires more time; and
 - (iii) a reasonable period of no more than 6 weeks after the end of the decision period within which the committee is to decide the motion.

-
- (3) The committee is not required to decide a motion if within the 12-month period before the member submitted the motion the member had submitted—
 - (a) a motion about the same issue; or
 - (b) 6 or more motions.
 - (4) If the committee decides not to decide a motion because subsection (3)(a) or (b) applies, the committee must give the member a written notice stating the reason why the motion was not decided.
 - (5) The committee must not decide a motion if—
 - (a) a decision on the motion would be a decision on a restricted issue for the committee; or
 - (b) the motion, if carried, would—
 - (i) conflict with the Act, this regulation or the by-laws, or a motion already voted on at the meeting; or
 - (ii) be unlawful or unenforceable for another reason.
 - (6) The motion is taken to be not agreed to if—

- (3) The other person may decide the motion without the agreement of the relevant office holder.

 - (a) the issue concerns the office holder’s duties as an office holder; and
 - (b) the office holder has a direct or indirect interest in the issue; and

 - (a) engage a body corporate manager to carry out the functions that would, if there were a committee for the body corporate, be carried out by the committee, secretary and treasurer; and
 - (b) agree to an amendment of the engagement.

Notes—

- 1 Under section 8, there is no committee for the body corporate if the body corporate engages a body corporate manager under this part to carry out the functions of a committee and the secretary and treasurer.
- 2 See also section 120 of the Act.

- (2) The body corporate may act under subsection (1) only if—
 - (a) the original owner control period has ended; and

[s 25]

- (3) The engagement may be in addition to an existing engagement of the person as a body corporate manager other than under this part.
- (4) To the extent the existing engagement is inconsistent with the engagement under this part, the existing engagement is of no effect.
- (5) The engagement of a body corporate manager under this part is void if it does not comply with this section and section 25.
- (6) An agreement to amend the engagement of a body corporate manager under this part is void if it does not comply with this section.

25 Form of engagement [SM, s 75]

- (1) The engagement of a body corporate manager under this part must—
 - (a) be in writing; and
 - (b) state that the body corporate manager is required to carry out all the functions of the committee, the secretary and treasurer; and

 - (a) at the end of the body corporate's next annual general meeting held after the general meeting at which the engagement was approved; or

- (b) 12 months after the day the engagement began.
- (2) However, the body corporate may terminate the person's engagement under chapter 6, part 4.

Note—

Under section 120(4) of the Act, the body corporate, in writing, may revoke the body corporate manager's authorisation to exercise powers at any time.

 - (b) any matters—
 - (i) known to the body corporate manager about the condition of the common property or the body corporate assets; and

[s 28]

- (ii) that the body corporate manager reasonably considers to be relevant to future performance of the body corporate's duty to maintain common property and body corporate assets;

Note—

See sections 99 and 107.

- (c) the balance, on the date of the report, of the administrative fund and sinking fund and a reconciliation statement for each fund;
 - (d) the body corporate's expenses, including repair and maintenance costs, for the 3 months immediately preceding the date of the report.
- (3) For subsection (2)(d), the report must state, for each expense—

 - (b) the amount; and
 - (c) the date the expense was incurred; and
 - (d) the reason the expense was incurred.
- (4) The report must also include, as briefly as possible, a list of decisions made by the body corporate manager under the engagement.
- (5) The report must be given within 21 days after the end of each 3 months for which the person is engaged as a body corporate manager under this part.
- (6) Also, if asked by at least one-half of the members of the body corporate, the body corporate manager must give all the members of the body corporate a report containing the details mentioned in subsections (2) to (4).

 - (b) must not be made more than once every 3 months.
- (8) The body corporate manager must give the report to the members within 21 days after receiving the request.

Part 6 When committee member may receive particular benefits

29 When committee member may receive particular benefits [SM, s 79]

A committee member may only receive a direct or indirect benefit from a service contractor if—

- (a) the benefit is the supply of—
- (i) a service that the body corporate has engaged the contractor to provide; or
 - (ii) a service that an owner of a lot has engaged the contractor to provide at market price; or

Example for subparagraph (ii)—

a gardening or maintenance service provided by a service contractor to lot owners

- (b) otherwise—the body corporate has authorised the member, by ordinary resolution, to receive the benefit.

Chapter 4 Body corporate meetings— Act, section 104

Part 1 Purpose of chapter

30 Purpose of chapter [SM, s 80]

The purpose of this chapter is to prescribe matters about meetings of the body corporate for a community titles scheme.

[s 31]

Part 2 **Administrative arrangements for body corporate meetings**

Division 1 **General**

31 **Types of meetings [SM, s 81]**

- (1) All meetings of the body corporate are general meetings.
- (2) A general meeting is either an annual general meeting or an extraordinary general meeting.

32 **Who may call general meetings [SM, s 82]**

- (1) A general meeting may be called by—
 - (a) if the positions of secretary and treasurer are held by 1 person—the person; or
 - (b) if the positions of secretary and treasurer are held by 2 persons—the secretary or treasurer, if authorised by a resolution of the committee to call the particular meeting.
- (2) A general meeting may also be called by a person authorised or required to call a general meeting by an order of an adjudicator acting under the dispute resolution provisions.
- (3) This section does not apply to a requested extraordinary general meeting.

33 **When annual general meetings must be called [SM, s 83]**

An annual general meeting, other than the first annual general meeting, must be called and held within 3 months after the end of each of the community titles scheme's financial years.

Note—

See division 2 for requirements for the first annual general meeting.

34 Requirement for requested extraordinary general meeting [SM, s 84]

- (1) An extraordinary general meeting (a *requested extraordinary general meeting*) of the body corporate must be called if a notice requesting an extraordinary general meeting to consider and decide motions proposed in the notice is—
 - (a) signed by or for the owners of at least 25% of all the lots included in the community titles scheme; and
 - (b) given to—
 - (i) the secretary; or
 - (ii) in the secretary’s absence—
 - (A) if the positions of secretary and treasurer are held by 2 persons—the treasurer; or
 - (B) if the committee has not yet been chosen—the original owner.
- (2) The secretary may be presumed to be absent if the notice is given to the secretary at the address for service of the body corporate and no reply is received within 7 days.
- (3) A requested extraordinary general meeting—
 - (a) must be called, within 14 days after the notice is given under subsection (1), by the person to whom the notice is given; and
 - (b) must be held within 6 weeks after the notice is given.

Note—

Section 40 provides that, unless the body corporate decides otherwise, a general meeting must be held at least 21 days after notice is given to the lot owners.

- (4) A requested extraordinary general meeting of the body corporate may be called even though the body corporate’s first annual general meeting has not yet been held.

[s 35]

35 Failure to call requested extraordinary general meeting [SM, s 85]

- (1) This section applies if a requested extraordinary general meeting is not called within 14 days after the notice (the *original request*) requesting the meeting is given under section 34(1).
- (2) An owner of a lot by or for whom the original request was signed, or another owner of a lot who agrees to call the meeting, may call the meeting.

36 Opportunity to submit agenda motions [SM, s 86]

- (1) A motion for consideration at a general meeting of the body corporate may be submitted at any time by—
 - (a) a member of the body corporate; or
 - (b) the committee.
- (2) If a motion is submitted by a member of the body corporate before the first annual general meeting, it must be included on the general meeting agenda if it is practicable to include the motion.
- (3) If a motion is submitted, it must be included on the next general meeting agenda on which it is practicable to include the motion.

37 Notice of general meetings [SM, s 87]

- (1) Written notice of a general meeting must be given to the owner of each lot included in the community titles scheme.
- (2) The notice must state the time and place of the proposed general meeting.
- (3) The notice of a proposed general meeting must—
 - (a) contain an agenda for the meeting; and
 - (b) be accompanied by—
 - (i) a proxy form; and

- (ii) if the notice is given to the corporate owner of a lot—a form under which the owner may advise the body corporate of the corporate owner nominee; and
- (iii) if there is a group of same-issue motions on the agenda—a voting paper and explanatory schedule for the group of same-issue motions; and

Note—

See also sections 38 and 39.

- (c) contain or be accompanied by any other document as required under the Act or this regulation.

Note—

See, for example, the documents required under sections 79, 92, 94, 95, 115 and 145.

- (4) However, if all of the lots have identical ownership, no notice of a general meeting need be given.

38 Group of same-issue motions [SM, s 89]

- (1) This section applies if 2 or more motions (the *original motions*) proposing alternative ways of dealing with the same issue are submitted, under section 36, for consideration at a general meeting of the body corporate.

Example—

The secretary of the body corporate receives motions from 3 owners of lots proposing the engagement of a person as a body corporate manager and each motion proposes a different person.

- (2) The committee must list the original motions as a group of motions dealing with the same issue (a *group of same-issue motions*) on a voting paper for the general meeting.
- (3) A voting paper for a group of same-issue motions must also—
 - (a) set out the motions that are part of the group under the title of the group of same-issue motions as shown on the agenda for the meeting; and

[s 38]

- (b) list the motions that are part of that group in the following order—
 - (i) motions requiring a resolution without dissent;
 - (ii) motions requiring a special resolution;
 - (iii) motions requiring an ordinary resolution.
- (4) A person who is a voter for the general meeting may do any or all of the following in relation to the original motions that are part of a group of same-issue motions—
 - (a) vote in favour of 1 or more of the motions;
 - (b) vote against 1 or more of the motions;
 - (c) abstain from voting on 1 or more of the motions.
- (5) An original motion that receives the required number of votes to pass the motion qualifies (a *qualifying motion*) to be a decision of the body corporate.
- (6) If there is only 1 qualifying motion, the qualifying motion is the body corporate’s decision for the group of same-issue motions.
- (7) If there is more than 1 qualifying motion, the qualifying motion that receives the highest number of votes in favour of the motion is the body corporate’s decision for the group of same-issue motions.

Example—

Suppose that 3 original motions proposing improvements to the common property are submitted for consideration at a general meeting for a scheme with 6 lots. The motions listed as original motions are as follows—

- 1 Original motion A which proposes improvements that would cost an amount that must be authorised by special resolution;
- 2 Original motion B which proposes improvements that would cost an amount that must be authorised by special resolution;
- 3 Original motion C which proposes improvements that would cost an amount that may be authorised by ordinary resolution.

Original motion A receives 5 votes in favour of, and 1 vote against, the motion and would pass as a special resolution. Original motion B receives 4 votes in favour of, and 1 vote against, the motion and would

also pass as a special resolution. Original motion C receives 3 votes in favour of, and no votes against, the motion and would pass as an ordinary resolution. Therefore, each original motion is a qualifying motion of the group of same-issue motions.

As original motion A is the qualifying motion that receives the highest number of votes in favour of the motion, it is the decision of the body corporate, under subsection (7), for the group of same-issue motions.

- (8) However, if there are 2 or more qualifying motions that each receive an equal highest number of votes in favour of the motion, the qualifying motion that receives the fewest votes against the motion is the body corporate's decision for the group of same-issue motions.
- (9) If there is more than 1 qualifying motion and the qualifying motions each receive an equal highest number of votes in favour of the motion and an equal number of votes against the motion, the qualifying motion that is the body corporate's decision must be decided by chance in the way the meeting decides.
- (10) Other than for an original motion that is part of a group of same-issue motions, if more than 1 motion about the same issue is listed on the agenda, or stated in a voting paper, for the meeting all motions about the issue are void.

39 Explanatory material accompanying voting paper [SM, s 90]

- (1) A voting paper for a group of same-issue motions must be accompanied by an explanatory schedule.
- (2) The explanatory schedule must include all of the following information—
 - (a) the title of the group as shown on the agenda for the meeting;
 - (b) a list of each original motion that is part of the group;
 - (c) an explanatory note stating that—
 - (i) voters may vote on each of the original motions that are part of the group; and

[s 40]

- (ii) votes are counted for all original motions that are part of the group before the body corporate's decision is determined; and
- (iii) if a motion is a qualifying motion, the motion qualifies to be a decision of the body corporate; and
- (iv) an original motion can not be amended at the general meeting; and
- (v) if no original motion receives sufficient votes to pass according to the type of resolution required for the motion, the decision of the body corporate is that none of the original motions are passed.

Example of an explanatory note for paragraph (c)—

'To vote on this group of same-issue motions, you may either vote in favour of, against, or abstain from voting on, each original motion in the group of same-issue motions. You may vote on more than 1 original motion.

Votes on each original motion in the group of same-issue motions will be counted in the order the original motions are listed in the agenda. When votes for all original motions have been counted, the original motion that receives the sufficient number of votes to pass according to the type of resolution required for the motion, and that also receives the highest number of votes in favour, is the decision of the body corporate about the group of same-issue motions. Only 1 original motion can be passed as the decision of the body corporate about the group of same-issue motions.

If no original motion receives the sufficient number of votes to pass according to the resolution required for the motion, the decision of the body corporate about the group of same-issue motions is that no original motion is passed.

Original motions in the group of same-issue motions can not be amended at the meeting.'

40 Time of general meetings [SM, s 91]

- (1) Unless the body corporate decides otherwise, a general meeting must be held at least 21 days after notice of the meeting is given to owners of lots.

Note—

Section 34 provides for the timing of a requested extraordinary general meeting.

- (2) A decision made by the body corporate under subsection (1) must be fair and reasonable in the circumstances of the community titles scheme.

41 Agenda for general meeting [SM, s 93]

- (1) The secretary must prepare an agenda for each general meeting.
- (2) The agenda must—
 - (a) state the following motions—
 - (i) motions submitted by the committee for consideration at the meeting;
 - (ii) if the general meeting is a requested extraordinary general meeting—the motions proposed in the notice asking for the meeting;
 - (iii) a motion submitted under section 36 by a member of the body corporate and required to be included on the agenda;
 - (iv) if an adjudicator makes an order under the dispute resolution provisions authorising or requiring the calling of the general meeting to consider motions stated in the order—the motions stated in the order;
 - (v) if there has been a previous general meeting—a motion to confirm the minutes of the last meeting; and
 - (b) state, for each motion stated on the agenda, whether a resolution without dissent, special resolution or ordinary resolution is required; and
 - (c) if the meeting is the first annual general meeting for the community titles scheme—include the business required to be considered at the first annual general meeting; and

[s 41]

- (d) if there is a group of same-issue motions on the agenda, include—
 - (i) the title of the group of same-issue motions; and
Example—

An agenda sets out a list of motions that are all about refurbishment of a common property swimming pool under a title ‘Motions about pool refurbishment’.
 - (ii) a list of the motions that are part of the group in the following order—
 - (A) motions requiring a resolution without dissent;
 - (B) motions requiring a special resolution;
 - (C) motions requiring an ordinary resolution.
 - (e) state for each motion—
 - (i) if the motion is not submitted by the committee—the name and, if applicable, the lot number of the person submitting the motion; or
 - (ii) if the motion is submitted by the committee—that the motion is submitted by the committee and whether the motion is a statutory motion.
- (3) If the meeting is an annual general meeting, other than the first annual general meeting, the agenda must also include—
- (a) the substance of each statutory motion to be considered at the meeting; and
 - (b) anything else required, under the Act, to be included on the agenda for the meeting.
- (4) In this section—
- statutory motion***, for an annual general meeting, means a motion about a following matter—
- (a) presenting the body corporate’s accounts for the financial year;
 - (b) adopting administrative fund and sinking fund budgets for the financial year;

- (c) fixing contributions to be paid by the owners of lots for the next financial year;
- (d) reviewing each insurance policy held by the body corporate.

 - (d) for a body corporate manager—
 - (i) commits an offence under section 87(2); or
 - (ii) contravenes the code of conduct for body corporate managers and caretaking service contractors; or
 - (iii) if the body corporate manager is acting under a chapter 3, part 5 engagement—fails to give a report under section 28.
- (2) The body corporate may act under subsection (1) only if—
 - (a) the body corporate has given the person a remedial action notice under subsection (3); and
 - (b) the person fails to comply with the remedial action notice within the period stated in the notice; and
 - (c) the termination is approved by ordinary resolution of the body corporate.
- (3) For subsection (2), a remedial action notice is a written notice stating each of the following—
 - (a) that the body corporate believes the person has acted in a way mentioned in subsection (1)(a) to (d);

-
- (b) details of the action sufficient to identify—
 - (i) the misconduct or gross negligence the body corporate believes has happened; or
 - (ii) the duties the body corporate believes have not been carried out; or
 - (iii) the provision of the code of conduct or this regulation the body corporate believes has been contravened;
 - (c) that the person must, within the period stated in the notice but not less than 14 days after the notice is given to the person—
 - (i) remedy the misconduct or gross negligence; or
 - (ii) carry out the duties; or
 - (iii) remedy the contravention;
 - (d) that if the person does not comply with the notice in the period stated, the body corporate may terminate the engagement.
- (4) Despite subsection (2)(a), if the person is a body corporate manager acting under a chapter 3, part 5 engagement, the owners of at least one-half of the lots included in the community titles scheme may, on behalf of the body corporate, give the person a remedial action notice.

Note—

76 Disclosure of associate contract [SM, s 155]

- (1) This section applies if—

 - (b) the contract is for the supply of goods or services from a person (the *provider*); and
 - (c) the provider is an associate of a body corporate manager; and
 - (d) the body corporate manager is aware of the matters mentioned in paragraphs (a), (b) and (c); and
 - (e) to the knowledge of the body corporate manager, the body corporate has never been informed, or otherwise become aware, that the provider is an associate of the body corporate manager.
- (2) The body corporate manager must, in the shortest practicable time after this section commences to apply, give written notice to the body corporate—
- (a) identifying the contract; and
 - (b) disclosing the relationship between the body corporate manager and the provider.

Maximum penalty—20 penalty units.

77 Disclosure of commission, payment or other benefit [SM, s 156]

- (1) This section applies if—

Chapter 7 Financial management— Act, section 150

Part 1 Purpose of chapter

78 Purpose of chapter [SM, s 159]

The purpose of this chapter is to prescribe the financial management arrangements that apply to the body corporate for a community titles scheme.

Part 2 Budgets

79 Budgets [SM, s 160]

- (1) The body corporate must, by ordinary resolution, adopt the following 2 budgets for each financial year—
 - (a) the administrative fund budget;
 - (b) the sinking fund budget.

Note—

See section 86.

- (2) The administrative fund budget must—
 - (a) contain estimates for the financial year of necessary and reasonable spending from the administrative fund to cover—
 - (i) the cost of maintaining common property and body corporate assets; and
 - (ii) the cost of insurance; and
 - (iii) other expenditure of a recurrent nature; and
 - (b) fix the amount to be raised by way of contribution to cover the estimated recurrent expenditure mentioned in paragraph (a).

-
- (3) The sinking fund budget must—
- (a) allow for raising a reasonable capital amount both to provide for necessary and reasonable spending from the sinking fund for the financial year, and also to reserve an appropriate proportional share of amounts necessary to be accumulated to meet anticipated major expenditure over at least the next 9 years after the financial year, having regard to—
 - (i) anticipated expenditure of a capital or non-recurrent nature; and
 - (ii) the periodic replacement of items of a major capital nature; and
 - (iii) other expenditure that should reasonably be met from capital; and
 - (b) fix the amount to be raised by way of contribution to cover the capital amount mentioned in paragraph (a).

Example—

Painting of the common property is anticipated to be necessary in 3 years time at a cost currently estimated at \$12,000. The contribution amount for the sinking fund in the budget for the financial year must therefore include the annual proportional share for painting of \$4,000. Next year, the estimated cost has increased to \$12,400 and so the second year levy will be \$4,200. The estimated cost in the third year is \$12,800, so with the \$8,200 accumulated, a levy of \$4,600 is necessary to meet the cost.

- (4) If the scheme is a lot included in another community titles scheme, the administrative fund budget must also include an estimate of the total amount the body corporate may reasonably be expected to contribute to the administrative and sinking funds for the other scheme, and any other fund provided for in the regulation module applying to the other scheme.
- (5) The original owner must prepare proposed budgets for adoption by the body corporate at its first annual general meeting, and the treasurer must prepare proposed budgets for adoption by the body corporate at each later annual general meeting.

[s 80]

- (6) Copies of the proposed budgets must accompany the notice of an annual general meeting.
- (7) To remove any doubt, it is declared that the inclusion of an item of expenditure in a budget adopted by the body corporate is not, of itself, authority for the expenditure.

80 Adjusting proposed budgets at annual general meeting [SM, s 161]

- (1) The amount of an administrative or sinking fund budget adopted by a body corporate at an annual general meeting may be more or less than the proposed budget amount by an amount equivalent to not more than 10% of the proposed budget amount.

Example—

A proposed administrative fund budget is \$5,000. The administrative fund budget adopted by the body corporate at the annual general meeting may be between \$4,500 and \$5,500.

- (2) However, the amount of a proposed budget may be adjusted only to provide for spending, or remove amounts included in the proposed budget for spending, from the fund for the financial year if—
 - (a) the motion to approve the spending is stated in the agenda for the meeting; and
 - (b) either—
 - (i) the spending is approved by the body corporate but is not adequately provided for in the proposed budget; or
 - (ii) the spending is provided for in the proposed budget but the body corporate does not approve the spending at the meeting.
- (3) The adjustment must be approved by a majority of voters present and entitled to vote on the adjustment.
- (4) If the amount of a proposed budget is adjusted under this section—

- (a) the proposed contributions to be paid by owners of lots for the financial year are proportionately adjusted; and
- (b) it is not necessary to amend the motion stated in the agenda for the fixing of contributions to incorporate the adjustment; and
- (c) a copy of the adopted budget must be given to each owner of a lot with the copy of the minutes of the meeting given to the owner under section 56(2).

(5) In this section—

proposed budget amount means the amount of a proposed administrative or sinking fund budget accompanying the notice of an annual general meeting of a body corporate.

Part 3 Contributions levied by body corporate

81 Contributions to be levied on owners [SM, s 162]

- (1) The body corporate must, by ordinary resolution—
 - (a) fix, on the basis of its budgets for a financial year, the contributions to be levied on the owner of each lot for the financial year; and
 - (b) decide the number of instalments in which the contributions are to be paid; and
 - (c) fix the date on or before which payment of each instalment is required.
- (2) If a liability arises for which no provision, or inadequate provision, has been made in the budget, the body corporate must, by ordinary resolution—
 - (a) fix a special contribution to be levied on the owner of each lot towards the liability; and

[s 82]

- (b) decide whether the contribution is to be paid in a single amount or in instalments and, if in instalments, the number of instalments; and
 - (c) fix the date on or before which payment of the single amount or each instalment is required.
- (3) The contributions levied on the owner of each lot, other than contributions payable for insurance and any other matter for which, under the Act or this regulation, the liability attaching to each lot is calculated other than on the basis of the lot's contribution schedule lot entitlement, must be proportionate to the contribution schedule lot entitlement of the lot.

Note—

For examples of other matters for subsection (3), see sections 116, 119, 120 and 121.

82 Notice of contribution payable [SM, s 163]

- (1) At least 30 days before the payment of a contribution, or an instalment of a contribution, is required, the body corporate must give the owner of each lot written notice of—
- (a) the total amount of the contribution levied on the owner; and
 - (b) the amount of the contribution, or the instalment of a contribution, for which payment is currently required; and
 - (c) the date (the *date for payment*) on or before which the contribution, or the instalment of a contribution, must be paid; and
 - (d) any discount to which the owner is entitled for payment of the contribution, or the instalment of a contribution, by the date for payment; and
 - (e) any penalty to which the owner is liable for each month payment is in arrears; and
 - (f) if the owner is in arrears in payment of a contribution or penalty—the arrears.

-
- (2) The written notice under subsection (1) may also include notice about an amount payable by an owner of a lot to the body corporate for—
 - (a) a specially contracted service enjoyed by the owner; or
 - (b) an exclusive use or special right over common property enjoyed by the owner.
 - (3) Also, a written notice under this section must be given to an owner of a lot—
 - (a) if the owner has directed the body corporate as to how the notice is to be served—in the way directed by the owner; or
 - (b) otherwise—under section 137.

83 Discounts for timely payment [SM, s 164]

- (1) The body corporate may, by ordinary resolution, fix a discount to be given to owners of lots if a contribution, or an instalment of a contribution, is received by the body corporate by the date for payment fixed in notices of contribution given to the owners.
- (2) The discount can not be more than 20% of the amount to be paid.

Example—

Suppose that—

- 1 a contribution of \$100 is payable in 4 instalments of \$25 and the body corporate has fixed a discount of 10% for payment by the date for payment in the notices of contribution given to the owners; and
- 2 an account requiring payment of an instalment of \$25 by 31 March is given to an owner of a lot; and
- 3 the instalment is paid on 25 March.

In this case, the owner is entitled to a discount of \$2.50 on the instalment.

[s 84]

84 Penalties for late payment [SM, s 165]

- (1) The body corporate may, by ordinary resolution, fix a penalty to be paid by owners of lots if a contribution, or an instalment of a contribution, is not received by the body corporate by the date for payment fixed in notices of contribution given to the owners.
- (2) The penalty must consist of simple interest at a stated rate, of not more than 2.5%, for each month the contribution or instalment is in arrears.

Example—

Suppose that—

- 1 a contribution of \$400 is payable in 4 instalments of \$100 and the body corporate has fixed a penalty interest rate of 2% per month; and
- 2 an account requiring payment of an instalment of \$100 by 31 March is given to the owner of a lot; and
- 3 the instalment is not paid until 27 June.

In this case, the instalment has been in arrears for 2 months and a penalty of \$4 is payable.

Part 4 Payment and enforcement of body corporate debts

85 Payment and recovery of body corporate debts [SM, s 166]

- (1) If a contribution or an instalment of a contribution is not paid by the date for payment, the body corporate may recover each of the following amounts as a debt—
 - (a) the amount of the contribution or instalment;
 - (b) any penalty for not paying the contribution or instalment;
 - (c) any costs (*recovery costs*) reasonably incurred by the body corporate in recovering the amount.

- (2) If the amount of a contribution or an instalment of a contribution has been outstanding for 2 years, the body corporate must, within 2 months after the end of the 2-year period, start proceedings to recover the amount.
- (3) A liability to pay a body corporate debt in relation to a lot is enforceable jointly and severally against each of the following persons—
 - (a) a person who was the owner of the lot when the debt became payable;
 - (b) a person, including a mortgagee in possession, who becomes an owner of the lot before the debt is paid.
- (4) If there are 2 or more co-owners of a lot, the co-owners are jointly and severally liable to pay a body corporate debt in relation to the lot.
- (5) If an owner is liable for a contribution or instalment of a contribution, and a penalty, an amount paid by the owner must be paid—
 - (a) first, towards the penalty; and
 - (b) second, in reduction of the outstanding contribution or instalment; and
 - (c) third, towards any recovery costs for the debt.
- (6) If the body corporate is satisfied there are special reasons for allowing a discount of a contribution, or waiving a penalty or liability for recovery costs, the body corporate may allow the discount, or waive the penalty or costs in whole or part.

Part 5 Administrative and sinking funds

86 Administrative and sinking funds [SM, s 167]

- (1) The body corporate must establish and keep an administrative fund and a sinking fund.

[s 87]

- (2) The body corporate must pay into its administrative fund any amount received by the body corporate that is not required under subsection (3) to be paid into its sinking fund.
- (3) The body corporate must pay into its sinking fund—
 - (a) the amount raised by way of contribution to cover anticipated spending of a capital or non-recurrent nature, including the periodic renewal or replacement of major items of a capital nature and other spending that should be reasonably met from capital; and
 - (b) amounts received under policies of insurance for destruction of items of a major capital nature; and
 - (c) interest from investment of the sinking fund.
- (4) The administrative and sinking funds may be invested in the way a trustee may invest trust funds.
- (5) All amounts received by the body corporate for the credit of the administrative or sinking fund must be paid into 1 or more accounts kept solely in the name of the body corporate at a financial institution.
- (6) All payments from the administrative or sinking fund must be made from the account or accounts.
- (7) Funds must not be transferred between the administrative fund and the sinking fund.
- (8) All payments from the administrative or sinking fund may be made only on receipt of—
 - (a) a written request for payment; or
 - (b) written evidence of payment, including, for example, a receipt.

87 Administration of administrative or sinking fund by body corporate manager [SM, s 168]

- (1) This section applies if a body corporate manager administers the body corporate's administrative or sinking fund under—

-
- (a) an authorisation given by the body corporate under section 119(2) of the Act; or
 - (b) a chapter 3, part 5 engagement.
- (2) A body corporate manager who does not comply with section 86 in administering the fund commits an offence.

Maximum penalty—20 penalty units.

- (3) An invoice of the body corporate manager for services provided to the body corporate by the body corporate manager in administering the fund must not include services provided by another person.

Example—

services provided by an insurance broker or service contractor

- (4) The body corporate manager must, not later than 30 days after the following day (the **termination day**), give to the body corporate the financial records stated in subsection (5)—
- (a) the day the authorisation under section 119(2) of the Act is revoked;
 - (b) the day the chapter 3, part 5 engagement ends.

Maximum penalty—20 penalty units.

- (5) For subsection (4), the financial records are each of the following—
- (a) if required by the body corporate—a balance sheet, as at the termination day, for the fund administered by the body corporate manager;
 - (b) an income and expenditure statement for the fund for the financial year in which the termination day falls;
 - (c) a list of all amounts owing to, and payable from, the fund as at the termination day;
 - (d) a reconciliation statement for the account or accounts kept for the fund for the month most recently completed before the termination day;

[s 88]

- (e) details of the most recent notice given to each owner of a lot requiring payment of a contribution, or an instalment of a contribution;
- (f) a record of all contributions, or instalments of contributions, paid by owners of lots during the financial year in which the termination day falls;
- (g) any other financial record for the fund held by the body corporate manager on the termination day.

Example of other financial records—

financial institution deposit books

- (6) However, subsection (4) does not apply to a financial record if, before the 30-day period ends, the body corporate manager is served with a notice under section 150 for the record.

88 Application of administrative and sinking funds [SM, s 169]

- (1) The sinking fund may be applied towards—
 - (a) spending of a capital or non-recurrent nature; and
 - (b) the periodic replacement of major items of a capital nature; and
 - (c) other spending that should reasonably be met from capital.
- (2) All other spending of the body corporate must be met from the administrative fund.

Examples—

- 1 The cost of repainting the common property or replacing air-conditioning plant would be paid from the sinking fund.
- 2 The cost of insurance would be paid from the administrative fund.

89 Reconciliation statements [SM, s 170]

- (1) This section applies if—
 - (a) a body corporate manager administers the body corporate's administrative or sinking fund under—

-
- (i) an authorisation given by the body corporate under section 119(2) of the Act; or
 - (ii) a chapter 3, part 5 engagement; or
 - (b) the body corporate decides by ordinary resolution that reconciliation statements must be prepared under this section.
- (2) A statement (the *reconciliation statement*) must be prepared, within 21 days after the last day of each month, for each account kept for the fund showing the reconciliation of—
- (a) a statement, produced by the financial institution where the account is kept, showing the amounts paid into and from the account during the month; and
 - (b) invoices and other documents showing payments into and from the account during the month.
- (3) The reconciliation statement must be prepared by—
- (a) if the fund is administered by a body corporate manager—the body corporate manager; or
 - (b) otherwise—the treasurer.

Part 6 Borrowing

90 Power to borrow [SM, s 171]

- (1) The body corporate may, by ordinary resolution, borrow amounts on security agreed between the body corporate and the person from whom the amounts are borrowed.
- (2) The body corporate must not at any time, without the authority of a resolution without dissent, be in debt for a borrowed amount greater than \$3,000.

[s 91]

Part 7 Control of spending

91 Spending by committee [SM, s 172]

- (1) The committee may only give effect to a proposal involving spending above the relevant limit for committee spending for the community titles scheme if—
- (a) the spending is specifically authorised by ordinary resolution of the body corporate; or
 - (b) the owners of all lots included in the scheme have given written consent; or
 - (c) an adjudicator is satisfied that the spending is required to meet an emergency and authorises it under an order made under the dispute resolution provisions; or
 - (d) the spending is necessary to comply with—
 - (i) a statutory order or notice given to the body corporate; or
 - (ii) an order of an adjudicator; or
 - (iii) a judgment or order of a court; or
 - (iv) an order of QCAT; or
 - (e) both of the following apply—
 - (i) the committee decides the spending is necessary to put in place a relevant policy of insurance, or to renew an existing relevant policy of insurance;
 - (ii) the decision to put the relevant policy of insurance in place, or renew the existing relevant policy of insurance, is not a decision on a restricted issue for the committee; or
- Note—*
- See section 17(1)(c).
- (f) the spending is for the payment of an account of a routine, administrative nature.

- (2) For this section, if a series of proposals forms a single project, the cost of carrying out any 1 of the proposals is taken to be more than the relevant limit for committee spending if the cost of the project, as a whole, is more than the relevant limit.
- (3) Section 92 applies to the proposal in addition to this section if—
 - (a) subsection (1)(a) or (b) applies in relation to the proposal; and
 - (b) the proposal involves spending above the relevant limit for major spending; and
 - (c) the proposal does not involve spending mentioned in subsection (1)(c), (d) or (e).
- (4) In this section—

relevant policy of insurance means a policy of insurance the body corporate puts into place or maintains under chapter 8, part 6.

92 Quotes for major spending decided at general meeting [SM, s 173]

- (1) This section applies if—
 - (a) a motion to be moved at a general meeting of the body corporate proposes the carrying out of work or the acquisition of personal property or services, including the engagement of a body corporate manager or service contractor; and
 - (b) the cost of giving effect to the proposal is more than the relevant limit for major spending for the community titles scheme.
- (2) The owner of each lot must be given copies of at least 2 quotations for carrying out the work or supplying the personal property or services.
- (3) If the motion is proposed by the committee, the committee must obtain the quotations.

[s 92]

- (4) If the motion is not proposed by the committee, the person proposing the motion must obtain the quotations and, unless the person is the secretary, give them to the secretary.
- (5) Copies of the quotations or, if voluminous, summaries of the quotations and advice about where the complete documents may be inspected, must accompany the notice of the meeting at which the motion is to be considered.
- (6) If, for exceptional reasons, it is not practicable to obtain 2 quotations, a single quotation must be obtained and must accompany the notice of the meeting.

Example—

If goods to be acquired by the body corporate are obtainable from only 1 source, a quotation for supplying the goods must be obtained from the source and circulated with the notice of meeting. The fact that goods with the necessary characteristics are only obtainable from a single source would be an exceptional reason for not obtaining 2 quotations for the supply of the goods.

- (7) Unless subsection (6) applies, the motions for the quotations must be set out as a group of same-issue motions in the agenda and on a voting paper for the meeting.
- (8) Each quotation obtained under this section must be retained as an attachment to the minutes of the meeting at which the quotation is considered.
- (9) For this section—
 - (a) the cost of engaging a body corporate manager or a service contractor includes any payment for the body corporate manager's or the service contractor's services, provided for under the engagement, for the term of any right or option of extension or renewal of the engagement; and
 - (b) if a series of proposals forms a single project, the cost of carrying out any 1 of the proposals is taken to be more than the relevant limit for major spending for the scheme if the cost of the project, as a whole, is more than the relevant limit.

93 Quotes for major spending decided by committee [SM, s 174]

- (1) This section applies if—
- (a) the relevant limit for committee spending for a community titles scheme is more than the relevant limit for major spending for the scheme; and
 - (b) a motion to be moved at a meeting of the committee proposes the carrying out of work or the acquisition of personal property or services; and
 - (c) the cost of giving effect to the proposal is more than the relevant limit for major spending for the scheme but less than the relevant limit for committee spending for the scheme.

- (2) This section also applies if—
- (a) a motion to be moved at a meeting of the committee proposes spending above the relevant limit for committee spending for the community titles scheme to put in place a relevant policy of insurance, or to renew an existing relevant policy of insurance; and

Note—

See also section 91(1)(e).

- (b) the cost of giving effect to the proposal is more than the relevant limit for major spending for the scheme.
- (3) Before the motion is decided, the committee must obtain and consider at least 2 quotations for carrying out the work, supplying the personal property or services or putting in place, or renewing, the relevant policy of insurance.
- (4) However, if, for exceptional reasons, it is not practicable to obtain 2 quotations, a single quotation must be obtained and considered.

Example of an exceptional reason—

The proposal is for the acquisition of goods of a particular characteristic. Goods of that characteristic are only obtainable from 1 source.

[s 94]

- (5) Each quotation obtained under this section must be retained as an attachment to the minutes of the meeting at which the quotation is considered.
- (6) For this section, if a series of proposals forms a single project, the cost of carrying out any 1 of the proposals is taken to be more than the relevant limit for major spending for the scheme if the cost of the project, as a whole, is more than the relevant limit.
- (7) In this section—
relevant policy of insurance see section 91(4).

Part 8 Accounts and audit

94 Accounts [SM, s 175]

- (1) The body corporate must—
 - (a) keep proper accounting records; and
 - (b) prepare for each financial year a statement of accounts showing the income and spending, or receipts and payments, of the body corporate for the financial year.
- (2) The statement of accounts may be prepared on a cash or accrual basis.
- (3) If the accounts are prepared on a cash basis, they must include disclosure of the following—
 - (a) total contributions paid in advance to the administrative and sinking funds;
 - (b) total contributions in arrears, and total outstanding penalties;
 - (c) balances for all financial institution accounts and investments;
 - (d) all outstanding receipts and payments.

-
- (4) If the accounts are prepared on an accrual basis, they must show the assets and liabilities of the body corporate at the end of the financial year.
 - (5) The statement of accounts must include—
 - (a) the corresponding figures for the previous financial year, unless the statement is for the body corporate's first financial year; and
 - (b) disclosure of all remuneration, allowances or expenses paid to the secretary and the treasurer, identifying the total amounts paid to each person during the financial year under the following categories—
 - (i) remuneration or allowances;
 - (ii) expenses, split up into travelling, accommodation, meal and other expenses.
 - (6) A copy of the statement of accounts must accompany the notice of the next annual general meeting held after the end of the financial year for which the accounts are prepared.

95 Audit [SM, s 176]

- (1) The body corporate may decide to have its statement of accounts for a financial year audited by an auditor.
- (2) The following persons can not be appointed to audit the accounting records or the statement of accounts of the body corporate—
 - (a) a member of the committee;
 - (b) a body corporate manager;
 - (c) an associate of a member of the committee or a body corporate manager.
- (3) On finishing an audit of the body corporate's statement of accounts for a financial year, the auditor must give a certificate—

[s 96]

- (a) stating whether the statement of accounts gives a true and fair view of the body corporate's financial affairs; and
 - (b) if the statement of accounts does not give a true and fair view of the body corporate's financial affairs—identifying the deficiencies in the statement.
- (4) A copy of the auditor's certificate must accompany the notice of the next annual general meeting held after the certificate is given.

96 Auditing qualifications and experience—Act, sch 6, def auditor [SM, s 177]

- (1) For schedule 6 of the Act, definition *auditor*, paragraph (a)(ii), the qualifications and experience in accountancy that are approved for a person are stated in subsection (2).
- (2) The person must be a member of—
 - (a) CPA Australia and entitled to use the letters 'CPA' or 'FCPA'; or
 - (b) the Chartered Accountants Australia and New Zealand and entitled to use the letters 'CA' or 'FCA'; or
 - (c) the Institute of Public Accountants and entitled to use the letters 'MIPA' or 'FIPA'.

Part 9 Miscellaneous

97 Reporting particular payments to committee [SM, s 178]

- (1) A body corporate manager who pays an account on the basis of an authorisation given by the committee, or by the body corporate in a general meeting, must, if required by the committee or body corporate, give the committee a written report on the payment.
- (2) The report must contain the details about the payment or costs reasonably required by the committee or body corporate.

- (3) This section does not apply to a body corporate manager acting under a chapter 3, part 5 engagement.

Chapter 8 Property management

- (1) The body corporate must maintain common property in good condition, including, to the extent that common property is structural in nature, in a structurally sound condition.

Note—

For utility infrastructure included in the common property, see section 20 of the Act.

- (2) To the extent that lots included in the community titles scheme are created under a building format plan of subdivision, the body corporate must—
- (a) maintain in good condition—

[s 99]

- (i) railings, parapets and balustrades on, whether precisely, or for all practical purposes, the boundary of a lot and common property; and
 - (ii) doors, windows and associated fittings situated in a boundary wall separating a lot from common property; and
 - (iii) roofing membranes that are not common property but that provide protection for lots or common property; and
- (b) maintain in a structurally sound condition the following elements of scheme land that are not common property—
 - (i) foundation structures;
 - (ii) roofing structures providing protection;
 - (iii) essential supporting framework, including load-bearing walls.
- (3) Despite anything in subsections (1) and (2), the body corporate is not responsible for maintaining fixtures or fittings installed by the occupier of a lot if they were installed for the occupier's own benefit.
- (4) Also, despite anything in subsections (1) and (2)—
 - (a) the owner of the lot is responsible for maintaining, in good order and condition, utility infrastructure, including utility infrastructure situated on common property to the extent the utility infrastructure—
 - (i) relates only to supplying utility services to the owner's lot; and
 - (ii) is 1 of the following types—
 - (A) hot-water systems;
 - (B) washing machines;
 - (C) clothes dryers;
 - (D) solar panels;

- (E) air-conditioning systems;
- (F) television antennae;
- (G) another device providing a utility service to a lot; and

Examples for paragraph (a)—

 - 2 A hot-water system is installed on the common property, but supplies water only to a particular lot. The owner of the lot is responsible for maintaining the hot-water system and the associated pipes and wiring.
- (b) the owner of the lot is responsible for maintaining the tray of a shower that services the lot, whether or not the tray forms part of the lot.
- (5) To avoid any doubt, it is declared that, despite an obligation the body corporate may have under subsection (2), the body corporate may recover the prescribed costs, as a debt, from a person, whether or not the owner of the lot, whose actions cause or contribute to the damage or deterioration of the part of the lot.
- (6) In this section—

prescribed costs, recoverable from a person, means the proportion of the reasonable cost to the body corporate of carrying out the maintenance that the body corporate reasonably considers can be fairly attributed to the person's actions.

utility infrastructure does not include utility infrastructure that—

- (a) is a device for measuring the reticulation or supply of water for a community titles scheme established after 1 January 2008; and
- (b) is installed after 1 January 2008—

[s 100]

- (i) under a permit issued under the *Plumbing and Drainage Act 2018*; or
- (ii) in relation to a compliance request made after 31 December 2007 under the repealed *Plumbing and Drainage Act 2002*.

- (1) A body corporate must include a defect assessment motion on the agenda for the next annual general meeting of the body corporate that is called after the first annual general meeting.

Note—

Under section 92, each owner of a lot must be given copies of at least 2 quotations for proposals to carry out work or supply personal property or services if the cost of the proposal is more than the relevant limit for major spending for the community titles scheme.

- (2) For a body corporate for a scheme that is intended to be developed progressively, the body corporate must include a defect assessment motion on the agenda for the annual general meeting that is called immediately after—
- (a) a request to record a new community management statement for the scheme is lodged under section 56 of the Act; or
 - (b) property, other than body corporate assets the body corporate must insure, for full replacement value, under section 116(1), 117(2) or 118(2), is included on scheme land.

-
- (c) on 1 or more of the lots mentioned in paragraph (b), there is a stand-alone building.
 - (2) The body corporate may establish a plan (a *voluntary defect assessment plan*) under which it arranges for a defect assessment report to be prepared for stand-alone buildings for the owners of the lots on which they are located.
 - (3) Participation in the voluntary defect assessment plan is optional, and the owner of a lot who wants to take part in the plan must comply with all reasonable requirements made by the body corporate establishing the plan.
 - (4) The owner of a lot who takes part in the voluntary defect assessment plan is liable to pay a contribution levied by the body corporate that is a proportionate amount of the total cost of the plan relative to the defect assessment report undertaken on the owner's lot.

102 Mailbox and noticeboard—Act, s 153 [SM, s 183]

- (1) The body corporate must—

- (4) The body corporate must not lease or license common property if the lease or licence would interfere with access to a lot, or to a part of the common property over which exclusive rights have been given under a by-law.
- (5) An instrument lodged for registration under the *Land Title Act 1994* to give effect to a transaction under this section must be accompanied by—

 - (b) a certificate of the relevant planning body certifying the transaction has been approved or noted under the relevant Planning Act; and
 - (c) if the transaction is associated with a reduction in the common property—a request to record a new community management statement for the community

titles scheme in place of the existing statement for the scheme.

(6) The body corporate may not grant a lease or licence over utility infrastructure that is common property.

(7) In this section—

relevant Planning Act means—

**105 Improvements to common property by body corporate—
Act, s 159 [SM, s 186]**

- (1) The body corporate may make improvements to the common property if—
 - (a) the cost of the improvements, or, if the improvements together with associated improvements form a single project for improvement of the common property, the cost of the entire project, is not more than the basic improvements limit for the community titles scheme; or
 - (b) the improvements are authorised by ordinary resolution and the cost of the improvements, or, if the improvements together with associated improvements form a single project for improvement of the common property, the cost of the entire project, is within the ordinary resolution improvement range for the scheme; or
 - (c) the improvements are authorised by special resolution; or
 - (d) an adjudicator, under an order made under the dispute resolution provisions, decides the improvements are reasonably necessary for the health, safety or security of

persons who use the common property and authorises the improvements.

- (2) However, a body corporate may not pass more than 1 ordinary resolution mentioned in subsection (1)(b) in a financial year for the body corporate.
- (3) For subsection (1), if a series of associated improvements forms a single project, the cost of any 1 of the improvements is taken to be more than the amount worked out under subsection (1) if the cost of the project, as a whole, is more than the amount.
- (4) This section has effect subject to chapter 7, part 7.
- (5) In this section—

basic improvements limit, for a community titles scheme, means an amount worked out by multiplying \$300 by the number of lots included in the scheme.

ordinary resolution improvement range, for a community titles scheme, means an amount that is—

- (a) more than the basic improvements limit for the scheme; and
- (b) not more than the amount worked out by multiplying \$2,000 by the number of lots included in the scheme.

106 Improvements to common property by owner of a lot— Act, s 159 [SM, s 187]

- (1) The body corporate may, if asked by an owner of a lot, authorise the owner to make an improvement to the common property for the benefit of the owner's lot.
- (2) The improvement must be authorised by ordinary resolution of the body corporate unless—
 - (a) the improvement is a minor improvement; and
 - (b) the improvement does not detract from the appearance of any lot included in, or common property for, the community titles scheme; and

[s 107]

- (c) the body corporate is satisfied that use and enjoyment of the improvement is not likely to promote a breach of the owner's duties as an occupier.
- (3) An authorisation may be given under this section on conditions the body corporate considers appropriate.
- (4) An owner who is given an authority under this section—
 - (a) must comply with conditions of the authority; and
 - (b) must maintain the improvement made under the authority in good condition, unless excused by the body corporate.
- (5) In this section—

minor improvement means an improvement with an installed value of \$3,000 or less.

- (3) The body corporate may exercise its powers under this section only if authorised by a resolution without dissent if the proposal is—
- (a) to acquire freehold land; or
 - (b) to enter into a lease of more than 3 years.
- (4) The body corporate may exercise its powers under this section only if authorised by a special resolution if the proposal is—
- (a) to enter into a lease of 3 years or less, or a licence, concession or agreement; or
 - (b) to acquire personal property under subsection (2)(d), and the value of the property to be acquired is more than the greater of the following amounts—

- (2) The body corporate may, in the name of the body corporate, enter into an agreement with the body corporate of another community titles scheme under which the owners or occupiers of lots included in the scheme and lots included in the other scheme may share the use and enjoyment of—
 - (a) facilities forming part of the common property of either scheme; or
 - (b) body corporate assets for either scheme.

Example—

The body corporate may enter into an agreement under subsection (2) with the body corporate for another community titles scheme under which the owners or occupiers of lots included in the scheme may use a tennis court forming part of the common property for the other scheme.

Part 5 Exclusive use by-laws—Act, section 173

111 Conditions and obligations under exclusive use by-law [SM, s 192]

- (1) If the owner of a lot included in the community titles scheme, to whom rights are in the first instance given under an exclusive use by-law, agrees in writing, the by-law may impose conditions, including, for example, conditions that require the owner to do 1 or both of the following things—
 - (a) make a payment to the scheme's body corporate or the owners of lots included in the scheme;
 - (b) make periodic payments to the scheme's body corporate or the owners of lots included in the scheme.

[s 112]

- (2) An exclusive use by-law is taken, in the absence of other specific provision in the by-law for maintenance and operating costs, to make the owner of the lot to whom exclusive use or other rights are given responsible for the maintenance of and operating costs for the part of the common property to which the exclusive use by-law applies.

Example of operating cost for part of common property—

cost of providing lighting to the part of common property

- (3) However, if the lot was created under a building format plan of subdivision, in the absence of other specific provision in the by-law, the owner of the lot is not responsible for—

- (i) are on the part of the common property to which the by-law applies; and
- (ii) provide protection for lots or common property; or
- (b) maintaining in a structurally sound condition any of the following elements of scheme land that are part of a structure that is on the part of the common property to which the by-law applies and is not constructed by or for the owner—
- (i) foundation structures;
- (ii) roofing structures providing protection;
- (iii) essential supporting framework, including load-bearing walls.

112 Improvements [SM, s 193]

- (1) An exclusive use by-law may authorise the owner of a lot who has the benefit of the by-law to make stated improvements to the part of the common property to which the by-law applies.
- (2) Without limiting subsection (1), improvements stated in the by-law may include the installation of fixtures on the common property and the making of changes to the common property.

- (3) If the exclusive use by-law does not authorise the owner of a lot to make an improvement, the owner may make the improvement only if the body corporate authorises it to be made.
- (4) If the value of the improvement mentioned in subsection (3) is more than \$3,000, the body corporate's authorisation must be by ordinary resolution.

113 Recovery of amount owed [SM, s 194]

- (1) A monetary liability imposed under an exclusive use by-law on the owner of a lot included in the community titles scheme may be recovered as a debt.
- (2) The liability is enforceable jointly and severally against—
 - (a) the person who was the owner of the lot when the liability arose; and
 - (b) a successor in title for the lot.

Part 6 Insurance—Act, section 189

114 Definitions for part [SM, s 195]

In this part—

building includes improvements and fixtures forming part of the building, but does not include—

- (1) This section applies to each policy of insurance held by the body corporate under this part and in force when notice of an annual general meeting is given.
- (2) The notice of the annual general meeting, or a note attached to the administrative fund budget proposed for adoption at the annual general meeting, must include the following details about the policy—
 - (a) the name of the insurer;
 - (b) if any insurance broker or intermediary was involved with the taking out of the policy—the name of the insurance broker or intermediary;
 - (c) the amount of cover under the policy;
 - (d) a summary of the type of cover under the policy;

Examples of type of cover—

- public risk insurance, building insurance, common property insurance
- (e) the amount of the premium;
- (f) the amount of any excess payable on the happening of an event for which the insurance gives cover;
- (g) the date the cover expires;

- (h) the amount, type and provider of any financial or other benefit given, or to be given, by the insurer, or any insurance broker or intermediary, for the insurance being taken out, to any of the following—

 - (ii) a member of the body corporate;
 - (iii) the secretary or treasurer;
 - (iv) a person engaged as a body corporate manager or service contractor for the community titles scheme;
 - (v) an associate of a person mentioned in subparagraph (iv).

Examples of financial or other benefit—

- (3) Also, the notice of the annual general meeting, or a note attached to the administrative fund budget proposed for adoption at the annual general meeting, must include the following details about buildings the body corporate must insure under this part—
 - (a) the full replacement value for the buildings as stated in the most recent valuation under section 119;
 - (b) the date of the valuation.

116 Insurance of common property and body corporate assets [SM, s 197]

- (1) The body corporate must insure, for full replacement value—
 - (a) the common property; and
 - (b) the body corporate assets.
- (2) Subsection (1)(a) has effect only to the extent that the common property is not required to be insured under another provision of this part.
- (3) A policy of insurance taken out under this section—
 - (a) must cover, to the greatest practicable extent—

[s 117]

- (i) damage; and
 - (ii) costs incidental to the reinstatement or replacement of insured buildings, including the cost of taking away debris and the fees of architects and other professional advisers; and
 - (b) must provide for the reinstatement of property to its condition when new.
- (4) The owner of each lot that is included in the community titles scheme is liable to pay a contribution levied by the body corporate that is a proportionate amount of the premium for a policy of insurance taken out under this section that reflects the interest schedule lot entitlement of the lot.

117 Insurance of building including lots [SM, s 198]

- (1) This section applies if 1 or more of the lots included in the community titles scheme are created under a building format plan of subdivision or a volumetric format plan of subdivision.
- (2) The body corporate must insure, for full replacement value, each building in which is located a lot included in the scheme, to the extent that the building is scheme land.
- (3) A policy of insurance taken out under this section—
 - (a) must cover—
 - (i) damage; and
 - (ii) costs incidental to the reinstatement or replacement of insured buildings, including the cost of taking away debris and the fees of architects and other professional advisers; and
 - (b) must provide for the reinstatement of property to its condition when new.
- (4) If the body corporate can not comply with subsection (3), the commissioner, on application in writing by the body corporate, may authorise the body corporate to put in place an alternative insurance in a form approved by the commissioner

if the commissioner is satisfied that the insurance approved gives cover that is as close as practicable to the cover given by insurance under subsection (3).

Example of alternative insurance that might be approved by the commissioner—

insurance giving cover up to an agreed value

- (5) The body corporate is liable to pay any contribution that has to be made to the cost of reinstatement or repair because the reinstatement insurance is not for the full replacement value of the insured property.
- (6) The body corporate need not insure a building or a part of a building under subsection (2) if—
 - (a) the scheme is a subsidiary scheme for another community titles scheme (the *other scheme*); and
 - (b) under subsection (2), or an equivalent provision of another regulation module, the body corporate for the other scheme is required to insure the building or the part of the building.
- (7) Also, the body corporate need not insure a building or a part of a building under subsection (2) if—
 - (a) the building or the part of the building is scheme land; and
 - (b) the whole of the building is the subject of a building management statement registered under the *Land Title Act 1994*; and
 - (c) the building management statement provides for insurance for the building to a level comparable with insurance otherwise required under this part; and
 - (d) the insurance is in place.
- (8) This section applies subject to provisions of this part about insurance of buildings mutually dependent for support on a common wall.

[s 118]

118 Insurance for buildings with common walls [SM, s 199]

- (1) This section applies if—
 - (a) 1 or more of the lots included in the community titles scheme are created under a standard format plan of subdivision; and
 - (b) in 1 or more cases, a building on 1 lot has a common wall with a building on an adjoining lot.
- (2) The body corporate must insure, for full replacement value, each building mentioned in subsection (1)(b).
- (3) A policy of insurance taken out under this section—
 - (a) must cover—
 - (i) damage; and
 - (ii) costs incidental to the reinstatement or replacement of the buildings, including the cost of taking away debris and the fees of architects and other professional advisers; and
 - (b) must provide for the reinstatement of the buildings to their condition when new; and
 - (c) may give effect, in whole or part, to a voluntary insurance scheme.
- (4) The body corporate is liable to pay any contribution that has to be made to the cost of reinstatement or repair because the reinstatement insurance is not for the full replacement value of the insured property.
- (5) The body corporate need not insure a building or a part of a building under subsection (2) if—
 - (a) the scheme is a subsidiary scheme for another community titles scheme (the *other scheme*); and
 - (b) under subsection (2), or an equivalent provision of another regulation module, the body corporate for the other scheme is required to insure the building or the part of the building.

119 Valuation for insurance purposes [SM, s 200]

- (1) This section applies if, under this part, a body corporate must insure 1 or more buildings for full replacement value.
- (2) The body corporate must, at least every 5 years, obtain an independent valuation stating the full replacement value of the building or buildings.
- (3) The owner of each lot included in the community titles scheme is liable to pay a contribution levied by the body corporate for the cost of the valuation of the building or buildings that is proportionate to the amount of the premium for reinstatement insurance for the building or buildings for which the owner is liable under this part.
- (4) The contribution that the owner of a lot is liable for may be recovered by the body corporate as part of the owner's annual contribution to the administrative fund.

120 Premium [SM, s 201]

- (1) The owner of each lot that is included in the community titles scheme and is covered by reinstatement insurance required to be taken out by the body corporate is liable to pay a contribution levied by the body corporate that is a proportionate amount of the premium for reinstatement insurance that reflects—
 - (a) for a lot created under a building or volumetric format plan of subdivision—the interest schedule lot entitlement of the lot; and
 - (b) for a lot created under a standard format plan of subdivision—the cost of reinstating the buildings on the lot.
- (2) The body corporate may adjust the contribution payable by an owner of a lot under subsection (1) in a way that fairly reflects—
 - (a) the extent to which the premium relates to fixtures and fittings that—

[s 121]

- (i) form part of the lot; and
 - (ii) are of a higher standard than the fixtures and fittings of lots included in the scheme generally; or
- (b) the extent to which the premium relates to improvements made to the common property that benefit the lot; or
- (c) the proportion of the total risks covered by the policy attributable to activities carried on, or proposed to be carried on, on the owner's lot.

Example for paragraph (c)—

In a community titles scheme, the owner of a lot starts a small manufacturing business requiring the use and storage of flammable chemicals. The insurance premium for the body corporate policy is increased by the insurer because of the increased risk of damage through fire. The contribution payable by the owner for the insurance premium will include the amount of the increase.

- (3) The contribution that the owner of a lot is liable for may be recovered by the body corporate as part of the owner's annual contribution to the administrative fund.

121 Improvements affecting premium [SM, s 202]

- (1) This section applies if—
- (a) improvements are made to a lot included in the community titles scheme and, because of the improvements—
 - (i) the fixtures and fittings forming part of the lot are of a higher standard than the fixtures and fittings of lots included in the scheme generally; and
 - (ii) the premium for reinstatement insurance required to be taken out by the body corporate is likely to increase; or
 - (b) improvements are made to the common property, including improvements made under a right of exclusive use or licence, and—

- (i) the improvements are made for the benefit of a lot included in the scheme; and
 - (ii) because of the improvements, the premium for reinstatement insurance required to be taken out by the body corporate is likely to increase.
- (2) The owner of the lot must give the body corporate details of the nature and value of the improvements.
- (3) The notification must be given as soon as practicable after the improvements are substantially completed.
- (4) If the owner of the lot does not comply with subsections (2) and (3), the owner must reimburse the body corporate for any payment that has to be made for the cost of reinstatement or repair of the lot, or any other lot or common property, but only to the extent that the necessity to make the payment can reasonably be attributed to the owner's failure to comply with subsections (2) and (3).

122 Excess [SM, s 203]

- (1) Despite a requirement under this part to insure for full replacement value, the body corporate is not prevented from insuring on the basis that an excess is payable on the happening of an event for which the insurance gives cover.
- (2) However, in putting the insurance in place, the body corporate must ensure the arrangements for the liability for an excess under the insurance would not impose an unreasonable burden on the owners of individual lots, having regard to subsections (3) and (4).
- (3) For an event affecting only 1 lot, the owner of the lot is liable to pay the excess unless the body corporate decides it is unreasonable in all the circumstances for the owner to bear the liability.

Example—

If a shower screen is damaged in a lot and an insurance claim is made under the body corporate's reinstatement insurance, the owner of the lot would be liable under subsection (3) to pay the excess unless the body corporate decides it is unreasonable for the owner to be required to pay

[s 123]

it. However, if there is a fire within a lot caused by a short circuit in electrical wiring located in an internal partition, the body corporate might decide it would be unreasonable for the owner to be required to pay the excess.

 - (b) the proportion of the total risks covered by the policy attributable to activities carried on, or proposed to be carried on, on the owner's lot.
- (5) The contribution for which the owner of a lot is liable may be recovered by the body corporate as part of the owner's annual contribution to the administrative fund.
- (6) If the body corporate does not establish a voluntary insurance scheme and the owner of a lot on which there is a stand-alone building makes an improvement to the common property, the owner must—

 - (b) if paragraph (a) does not apply—must apply the amount as soon as practicable to the repair, reinstatement or replacement of the damaged property.
- (3) However, the amount must not be applied to the repair, reinstatement or replacement of the property if the work would, apart from this section, be unlawful.
- (4) If, because of the damage, the community titles scheme is to be terminated, and an order of a court under the Act, or a

[s 128]

resolution without dissent of the body corporate, requires the application of the amount for a purpose other than the repair, reinstatement or replacement of the damaged property, the amount must be applied as follows—

- (a) first, the amount must be applied towards the discharge of registered mortgages, but the amount applied towards a mortgage over a particular lot can not be more than the proportion of the total insurance money attributable to the lot;

128 Use of insurance money paid under voluntary insurance scheme [SM, s 209]
